How did Honey Ray handle a huge cock? "Very well!"

HONEY RAY'S BACK AND TAKING IT BIG & BLACK!

Dear 40Something,

Thank you for finally bringing back Honey Ray (40Something #206). I can't decide whether I like her better as a blonde or a brunette, but I do like her short-haired look. It lets us to see more of her pretty face.

I do know this: The cock that fucked Honey Ray has to be one of the biggest I've ever seen. How did she take it? Was she able to walk afterwards? She must have been bow-legged for weeks.—T.L., Guilderland, New York

Dear T.L.: How did she take it? "Very well, thank you," Honey Ray told us. "Although like I said before, I've never felt so full in my life." Was she able to walk afterwards? "Yes, and with a big smile on my face!" Was she bow-legged for weeks? "Fortunately not, but my husband noticed

that my pussy was gaping for weeks. But now, my pussy is back to normal." Glad to hear it, Honey Ray!

PATIENTS, GAPERS, AND A MILF NAMED HATTIE

Dear 40Something,

Your magazine keeps getting better. How about publishing on a monthly basis? How about publishing 50Plus MILFs on a permanent basis?

Issue #203 was great. I loved the picture of Bea Cummins wearing the hospital gown before she got her pussy examined by the "doctor."

It was nice to see Luna Azul back, especially the pussy closeup. I wish all your layouts had a pussy closeup. Luna and Honey Ray have the most beautiful bodies I've ever seen in your magazine. And when will Honey Ray be back?

It was also nice to see another 50Plus MILFs model in this issue. Summeran is great, especially the pose on page 90 in which she's lifting up her dress to show her great ass and legs.

In addition to Honey Ray, how about return visits from Jenna Lynn, Lola Lee, Suzy Sebastian, Renata, Calliste Garnet, Waya Doyenne, Christy Cougar, Lacy Westin and Dee Dee Derian?

Also, when will you show the Rose Marie layout featured on the cover of 40Something #184 in which she wore a sweater and pantyhose in front of a red wall? Also, when will you show Chloe, who was on the cover of #196 but has never had a full layout?

Lastly, on The Learning Channel, they had a program called "Strange Sex," and one episode was on cougars and featured a 70something cougar from New York named Hattie. How about trying to get her to pose for your magazine? Maybe that would be a great way for her to meet more young guys. I'd love to see a reality TV show star showing her pussy in a magazine.—S.D., Maryland

Dear S.D.: That photo of Rose Marie that you mentioned is from her hardcore scene in the DVD Fuck My Old Ass 2

In issue #203, Luna Azul gave us a cunt closeup and Summeran dominated her man. A reader wants to see more of Rose Marie (below left) and Chloe.

(available on page nine of this issue), which we previewed in issue #184. You can also see the photos and watch the video at 40SomethingMag.com. Chloe hasn't made her 40Something mag debut, but she is in the DVD Two-Timing MILFs, also available on page nine of this issue.

PEPPER & JERI: BIG GIRLS WHO CAN TAKE IT HARD

Dear 40Something,

You should have called #206 the "Big Girls Issue" because you had some great, big MILFs, the kind of women who can take a hard pounding from a big guy like myself and ask for more.

THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

Pepper Payne is a 5'8" Amazon with big thighs and huge hips. The pic of her spreading her gaping pussy and asshole was one of the best you've ever shown. She looks like a woman who would bend over and invite me to rest my beer on her back while I pound her from behind as hard as I could.

You say that Jeri is 5'5", 135 pounds, but it looks to me like she's a lot more, and I mean that as a compliment. I've seen her fucking on your website 50PlusMILFs.com, and I know she can take it hard and rough. She also has a huge ass with plenty of flesh to hold onto while I'm riding her.

Please give us more big women. A MILF doesn't have to be skinny to get my dick hard. In fact, just the opposite.—B.D., La Crosse, Wisconsin

COCKSUCKING PUSHUPS, GOLDEN GIRLS & ANAL

Dear 40Something,

40Something #201 was hot from start to finish. The DVD Pick for 60Plus MILFs was the perfect opening. All the pictorials were great, and I'm glad to see Jewel returning. It was awesome to see the XXX action of Rita, Semmie and

Shasha. Rita's facial cumshot was nice, but the anal action by Semmie and Shasha was perfect. Semmie also brings a new meaning to workouts with her cocksucking pushups.

Bella Marino and Dallas are bound for stardom. Avalynne O'Brien won me over the moment I read about her sucking and fucking black cock. Finally, we have girlfriends Shana DuPlae and Sheri Fox. Shana is nice, but Sheri is the best from this issue. She has three things that stole my heart: a jeweled pussy, a big, round ass and a big set of tits.

Issue #203 had some returning favorites and plenty of new ladies. The "Golden Girls" section was beautiful, and I'll never tire of seeing Valerie, Mandy, Georgette and Anneke. The photo of Anneke bent over and spreading her lovely asshole made me lust for her even more.

The anal exploits of Demi LaRue and Summeran were XXX highlights of this edition. After her appearance in *Chocolate Stuffed MILFs*, any chance to view Luna Azul is welcome.

My favorites from this issue are Cassy Torri and Marina Johnson.

Cassy's body is perfect: great ass and tits to go with it. Her pussy and asshole beg to be licked and sucked, and I anx-

Elektra's big, natural tits and hairy pussy make her special..

iously await the debut of her mom, Miranda Torri, in 40Something.

Marina is the ultimate Southern belle: blonde hair, sweet pussy, round ass, perfect tits and beautiful face with a smile that would melt an iceberg. What makes her the cream of this issue is having her sucking and fucking black cock for 40SomethingMag.com. She looks to be the sweet, innocent type in public but a sex-crazed tigress behind closed doors.—W.V., Durham, North Carolina

Dear W.V.: Cassy Torri and her mother, Miranda Torri, both fucked (in separate pictorials) in 40Something #208, available on page 11.

LOVING ELEKTRA'S REAL RACK AND HAIRY PUSSY

Dear 40Something,

Elektra's big tits and hairy pussy (40Something #206) are like a dream come true. Although I love your magazine, it seems like most of the women with big tits have had boob jobs and almost every woman shaves

Dildo-fucked Sheri Fox was a highlight of issue #201. Marina (right and above) fucks online at 40SomethingMag.com.

HE'S NOT AT A LOSS FOR WORDS FOR SEXY BELLA

Dear 40Something,

Bella "Wow" Marino (40Something #201), fuck me to tears...where do I start? Drop-dead gorgeous! C'mon, staff! She's not from this planet, right? I knew it! Couldn't be! She's too fuckin' perfect. A 20! Physically, sexually, mentally. Simply put, the hottest "cum fuck me" look I've ever laid my eyes on. And ya couldn't have said it any better than the last sentence in her debut pictorial: "Bella always gets her man...to cum!" Nah, ya think? Question is: eat first, fuck first, suck first, pussy first, ass first, mouth first, tits first? Decisions, decisions.

Good luck upstaging this stone-cold fox.—J.A., Quartzsite, Arizona

OUR FEATURED ISSUE

40Something #208

It's an issue with something for every MILF lover and some things you've never seen before. Because this is the magazine in which Miranda Torri (bottom left), 67, and her daughter Cassy (bottom right) both fuck! Who's the better fuck? You be the judge! This is also the issue in which 50something Connie McCoy (top right) gets her gaping pussy fucked. And in which Becca Rose (top left) shows off her hairy pussy. And in which fetish queen Catherine de Sade (middle) spreads wide. And there's lots, lots more.

Becca

Birthday: January 20
Age: 49
Height: 5'4" **Weight:** 122 lbs.
Born: Okinawa, Japan
Lives: Louisiana
Marital Status: Married

We are living in an era when just about every woman is shaving her pussy. They might not shave it bare, but they're at least trimming it, not letting it overflow, not like in the good ol' days when if you went to the beach, you had a good chance of seeing some cunt hairs sticking out of a woman's bathing suit bottom. Well, here's Becca Rose, who's 49 and a throwback to those wild, fur-filled days. "Do you like my hairy pussy, baby?" Becca asks Tony, her stud. "I want you to lick it. I can't wait until you fuck it."

A photograph of a woman with long dark hair and bangs, wearing a pink garter belt, performing oral sex on a man. The man is wearing blue jeans and a blue plaid shirt. The woman is kneeling on a light-colored carpet, and the man is standing over her. The background shows a bed with a white quilted coverlet and a pink headboard. A text box in the upper right corner contains a description of the scene.

Becca's pussy gets an inspection from her stud, who's amazed by how soft and furry it is. Becca enjoys every second of the pussy eating, and Tony said, "I could've stayed down there all day." But Becca knows one of the purposes of her hirsute pussy is to get a guy hard for sucking and fucking, so she goes deep orally, then opens her legs wide.

Release: StoreMags & FantaMag

Is there a difference between fucking a hairy pussy and a shaved one? Women with shaved pussies say the guy's cock goes deeper, which makes some sense because there's no hair in the way. As for fucking Becca's hairy pussy, Tony said, "I kept feeling her pussy hairs tickling my cock and balls, which felt great. But the main thing about a woman like Becca is that she simply has a nice, tight pussy, and it doesn't matter if it's shaved or hairy." Said Becca as she rubbed the last of Tony's load into her face, "That was fun. Now I'd like to have my ass fucked while a guy shaves my pussy. Think you can arrange that for me?"

even the 20-to-30-year-old crowd enjoys the magazine just as much as I do. Two thoughts:

1. It would be nice to see more bare feet in the photos. There are hardly any photos of nice, red-painted toes.

2. Let me tell you how I get off on the pictures. From the picture files I have stored on my laptop, I print out head shots of women whom I fantasize over. I then paste them onto the faces of some of your sweet ladies. It's like I'm seeing my own personal MILFs naked!—B.H., Boston, Massachusetts

READER THROWS FLAME, DOESN'T GIVE HIS NAME

Dear 40Something,

As a long-time loyal reader, I always enjoy the high quality of the many fine-looking, sexy and breast-enhanced older women who have graced your pages. It is my favorite magazine for sexy women from 40 to 75. Just keep on finding these women to bare all.

On the contrary, I noticed an unusual trend with 40Something and 50Plus MILFs magazines. I don't particularly care for seeing black men and Hispanic men with these white women. I only like seeing white on white.

If you start featuring interracial girl/men layouts, I will cease buying your magazine.—Name and address withheld

Dear Reader: You'll be sorry to read this, but we've already started doing that. By popular demand, interracial sex has become a regular feature in both 40Something and 50Plus MILFs magazine. There's even some in the U.S. editions of this issue. **40**

Ruthie Hays

Part-time mid-western housewife, full-time slut!

INTERVIEW BY DAVE ROSENBAUM

When people hear the phrase "mid-western housewife," they usually don't think about women like Ruthie Hays. You see, mid-western housewives don't pick up strangers they meet while shopping and fuck them in the family restroom. A mid-western housewife might, just once in her life, have the courage to step foot into an adult book store. But chances are she isn't going to give blow jobs to 20 men lining up outside the video preview booth. And you might find a mid-western housewife hanging out at a truck stop...but not sucking some dude's cock between two trucks.

Meet Ruthie, a 47-year-old housewife from Des Moines, Iowa. Field of Dreams and covered bridges country. Well, you can leave the daydreams of cornfields and romantic bridges to the movies, because Ruthie isn't into that romantic stuff.

"I would love to have a gangbang with 20 or more guys," she said.

The thing is, when Ruthie says stuff like that, she doesn't say it in a serious or sultry voice. She says it in a fun, playful way. Because that's what Ruthie is: fun and playful. Especially when there's a cock (or two, or 20) in the room.

40SOMETHING: Hi, Ruthie, and welcome to 40Something. It's great to have you here, but I'm detecting that you just might be a little nervous. Am I right?

RUTHIE: A little.

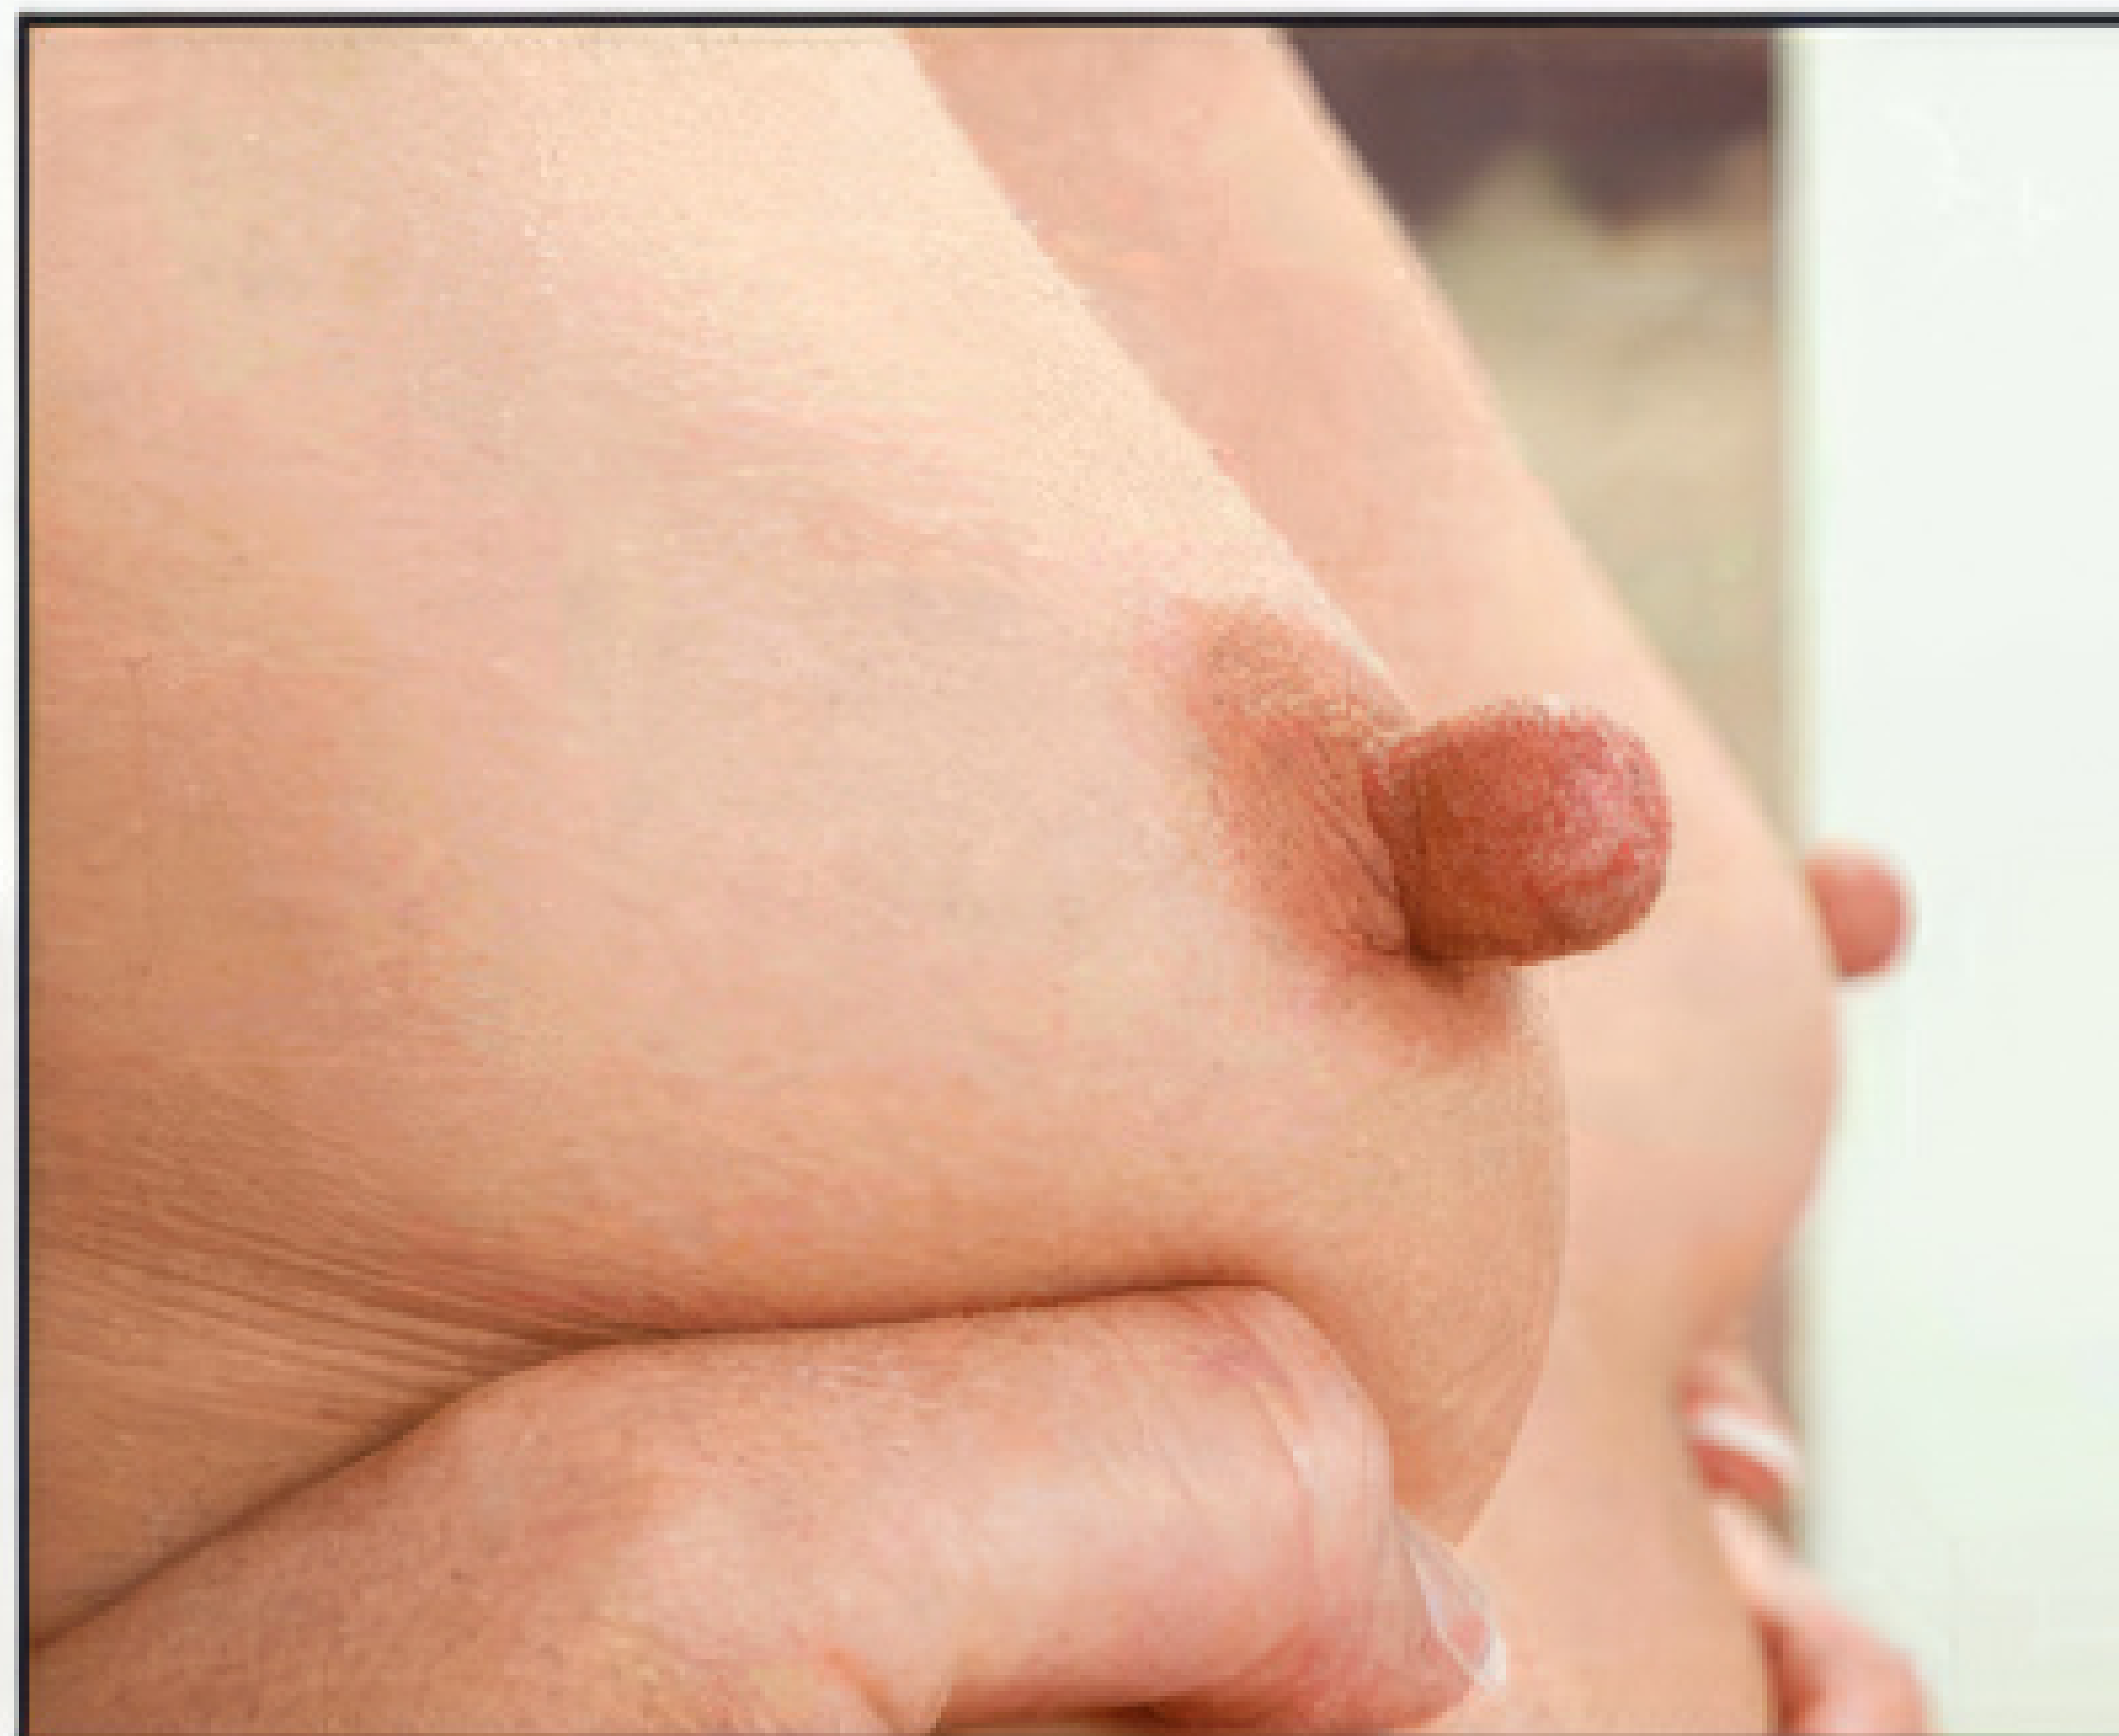

40SOMETHING: How come?

RUTHIE: Because it's my first professional photo shoot and interview. I've

done some amateur stuff, but nothing like this.

40SOMETHING: So you've never been a dancer?

RUTHIE: No.

40SOMETHING: Ever been to a nude beach?

RUTHIE: No. I'm from Iowa. There are no nude beaches in

Iowa. There's corn in Iowa! Lots of corn and snow.

40SOMETHING: And you're married, right?

RUTHIE: Yes. My husband wanted me to come here. He's the one who set it up. He just said to me, "Hey, I'm going to see if we can get you a photo shoot

The 40Something Interview

with 40Something," and I said, "Okay. What's that?" I don't watch sex. I like to do it. [Laughs]

40SOMETHING: What was your reaction when he suggested that?

RUTHIE: Sounds like fun. But then I stressed out the whole month before I came here. I didn't know what to expect. But it turned out I didn't have to be as nervous as I thought I had to be.

40SOMETHING: Well, I'm sitting here with your "Model Info" sheet, which we ask all the models to fill out, and when I read it, I said to myself, "I have to talk to this woman." For example, we ask if you wear panties, and you said you never wear panties.

RUTHIE: Well, I am wearing panties right now, but just for you guys. Normally I never do.

40SOMETHING: It's funny to hear you say that because you look like the woman next door, and you're 47 years old and you live in Iowa.

You're five-feet-nine. You're married. Your husband set this up. You guys are swingers. Both of you?

RUTHIE: No. Mostly just me. He just likes to set things up for me.

40SOMETHING: Does he watch?

RUTHIE: Yes. He videotapes me, too.

40SOMETHING: Okay. Next on the "Model Info" sheet, we asked, "What are your hobbies?" And you said you collect salt-and-pepper shakers.

RUTHIE: [Laughs] I have about 200 of them. All different sets. My grandma and my mother had some that they gave me, and I just started from that. They're antiques.

40SOMETHING: Okay, so now we're going to get to the good stuff on the "Model Info" sheet. We asked, "Are you into any fetishes?" and you said no. But then we asked, "What are your sexual fantasies?" Do you remember what you wrote?

RUTHIE: A bukkake with, oh, 10 or 20 guys. Thirty if I could. [Laughs]

40SOMETHING: Have you ever done a bukkake?

RUTHIE: No. The most I've had was like

eight guys, but they didn't all cum on my face. Some of them wanted to cum on my pussy. There was fucking going on, and there's no fucking in bukkake.

40SOMETHING: Well, let's just say I said to you, "Ruthie, you can have a bukkake right now." How would it go?

RUTHIE: Probably, if I could, it would be good to do it outside. I like to fuck outside and just do BJs and stuff like that. But I suppose it doesn't matter where we do it. In all honesty, I've never thought about where it might take place. I've just thought about doing it.

40SOMETHING: Maybe under one of those famous covered bridges in Iowa.

RUTHIE: Maybe, but they have cameras on all of the bridges now, so probably not.

40SOMETHING: Is your fantasy for guys to cum on your face or for you to have sex with 20 guys?

RUTHIE: Cum on my face. I'd be in the middle, and they'd all be jerking off. I love cum. [Laughs] I like having it on my face. It makes me extra slutty or something, doesn't it? For me, it makes it hotter and sluttier to have cum on my face and dripping down my chin, dripping down all over my tits.

40SOMETHING: And you like the slutty aspect of it.

RUTHIE: Yes.

40SOMETHING: I think I'm getting the idea now. It's part of what makes you so appealing. You look nothing like a slut, but you enjoy acting like one.

RUTHIE: [Laughs] I do. I think back home, a lot of guys who've seen my stuff have to come in to where I work because they can't believe I look like an ordinary housewife, but then when they see my pictures, they say, "Oh, my God" because I look nothing like I act.

40SOMETHING: Where do you work?

RUTHIE: At a fast food place.

40SOMETHING: Would this fast food place have special sauce?

RUTHIE: Yes. All kinds. [Laughs] They even have a white sauce!

40SOMETHING: So really, you're Mrs. Middle America. Any children?

RUTHIE: Yes.

40SOMETHING: And then, of course, you have this other side to you, this slutty side. Do you think the bukkake will ever happen?

RUTHIE: I think so, even if I have to set it up. I have this guy from Dallas who wants to setup a gang bang, and he's going to fly me down to Dallas. I could do the bukkake there, too.

40SOMETHING: Now, the gang bang. Will anal be involved?

RUTHIE: Yes. Ass, mouth, pussy. I have three holes, and I like them all filled, preferably at the same time.

40SOMETHING: What are the other guys doing during the gang bang when your three holes are occupied?

RUTHIE: I've had one gang bang where I was jacking off

two guys on either side of me and one guy was in my mouth, one was in my pussy and another was in my ass. The other five

were waiting their turn.

40SOMETHING: And I'm sure they got it. According to your "Model Info" sheet, you masturbate every night.

RUTHIE: I do. I have a little Celebrator. It looks like a battery-powered toothbrush, and it has a thing at the end that I use on my clit. It's really good.

40SOMETHING: So you can take it on a plane and nobody's going to know what it is.

RUTHIE: Right.

40SOMETHING: Here's the part on your "Model Info" sheet that I really like:

"What and/or where was your kinkiest sexual encounter?" And you answered, "I fucked a guy in a shopping mall in the family restroom."

RUTHIE: I don't know if that was as kinky as it was hot and naughty. My husband and I were walking through this mall and I saw this guy there, and he said, "I've seen you." And he goes, "I could use a BJ right now," and I said, "Okay. Where can we go?" And he said, "The family bathroom over here." And I said, "Okay, but we'll have to be quiet." And we went in there, and he sat on the toilet in one of the stalls, and I climbed on top.

"I've sucked a guy's cock between two trucks at a truck stop!"

40SOMETHING: Did you fuck him or give him a blow job.

RUTHIE: Both. I gave him a blow job and then he fucked me, but we had to be quiet because I could hear kids running around. But it was really exciting. My husband was there videotaping it.

40SOMETHING: You got away with it?

RUTHIE: Yes, and it was good.

40SOMETHING: Was it just exciting, or did you have an orgasm?

RUTHIE: It was exciting, and I had an orgasm, too.

40SOMETHING: For how long were you in there?

RUTHIE: Probably 15 minutes.

40SOMETHING: Wow! That's a long time to be in the family restroom, especially doing what you were doing. You also wrote on your sheet, "I've sucked a guy's cock between two trucks at a truck stop."

RUTHIE: Oh, I have! This guy I talked to on and off on the phone said he was going to be passing through Des Moines, so I said, "Meet me at this truck stop," and I met him there, and he parked his truck, and we went in the middle, put a blanket down, and I sucked his cock right there. I was between two trucks, and the Interstate was right there. We could see the cars going by.

40SOMETHING: Did you get caught?

RUTHIE: No. I have never been caught in public.

40SOMETHING: You also wrote, "I've fucked guys in the preview booth at the local adult store." I didn't even know Iowa had adult stores!

RUTHIE: [Laughs] Yeah, and they have these tiny booths you go in. This one has these tiny boxes where you put your card in and you can hardly turn around, but they also have glory holes. The other one has a couch and a big TV, and if I see a guy I like, I can say, "Hey, come on in here." I've sucked three or four guys off in there.

40SOMETHING: Three or four times?

RUTHIE: [Laughs] Well, I've sucked three or four guys off in there more than three or four times! I went down to St. Louis to the Hustler store once and sucked off about 20 guys in there. I'm not exaggerating.

40SOMETHING: There were guys you'd never met before?

RUTHIE: Oh, yeah. [Laughs]

40SOMETHING: A lucky day for them to be there. What were you wearing?

RUTHIE: I don't remember. Something slutty, I suppose.

40SOMETHING: Where did they cum?

RUTHIE: On my face, in my mouth. A few of them fucked me, too.

40SOMETHING: This is amazing. I've been to a lot of adult stores, and this has never happened to me. I've never even seen anything like that. I'm moving to Iowa. Okay, so we asked you how you dress when you're out in public, and you wrote, "Short skirts and what my husband calls titty tops."

RUTHIE: See-through ones where you can see my nipples. But I can wear

What's Suz, a 50-year-old housewife from rural Georgia doing in *40Something* magazine? "Well, my husband and I own an adult store, and we're both swingers," she said. "Does that answer your question?" Kind of. Got anything else, Suz? "I once had sex on deck during a booze cruise in Jamaica. The crew and a bunch of other people watched. I like to be watched." Okay. That explains a lot. But it doesn't quite explain everything.

Yes, Suz is 50, and when we pointed out that she doesn't look a day over 45, she said, "Thank you." Then we said that since we can't show a model's I.D., readers might not believe she's 50. "That's okay," Suz said. "They're just gonna have to take my word for it. Besides, what woman lies about her age and makes herself older?"

Suz enjoys power walking and cooking in her spare time, but she doesn't have much spare time because "I'm either in the store or having sex. Working in the store gets me horny because there are so many horny guys around and I'm always around sex. So at night, I fuck away my horniness!"

You can tell from these photos that Suz has a sexy body and a nice, pink pussy. What you can't tell is that she's one of the most down-to-Earth women you'll ever meet. For example, during some down time in our studio, she offered to help out our staff with laundry and cleaning. We told her to relax. Take a load off her feet. We wanted to keep her fresh for the two fuck scenes she was shooting for 40SomethingMag.com. "Don't worry," Suz said. "I'm never too tired to fuck!" At which point, Suz helped out our staff anyway, and then, eager as could be, walked into our studio to fuck a big-dicked black stud. "I'm not here for the money," Suz said. "I'm here for the sex."

Sunny Ray

Birthday: February 22
Age: 54 **Height:** 5'8"
Weight: 165 lbs.
Lives: Tampa, Florida
Occupation: Entertainer
Marital Status: Divorced

Here's a warning to all you guys out there who own a business: If you have a hot wife, don't send one of your young, male employees over to your house during the day to help her out. Because if you do, she might help herself to his cock. And he might help himself to her tits. And her mouth. And her pussy. Even her asshole.

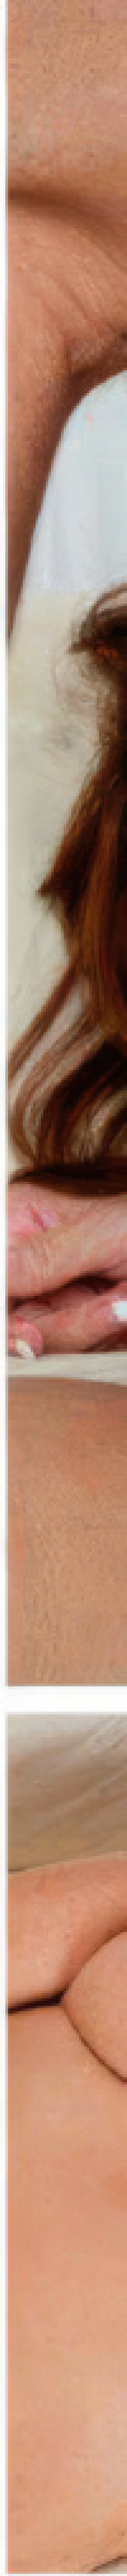

Sunny Ray (who debuted in *50Plus MILFs* #205) is divorced, not married, but here she plays the wife of a man who runs a warehouse. The husband makes the mistake we alluded to on the opening spread. He tells one of his workers, John, to go to his house and install the new flat-screen TV he bought for his wife. "Put it in however she wants and wherever she wants," he orders.

However Sunny Ray wants and wherever she wants turns out to be his dick in her pussy and asshole. Sunny Ray dresses like a slut (especially when she knows a young guy is coming over), sucks like a slut and fucks like a slut. "I love to gag on cock," Sunny Ray said. "I love having a finger in my asshole when I'm getting fucked from behind. But most of all, I love getting my ass fucked hard and filled with cum."

When asked why she decided to fuck on camera, Sunny Ray said, "Because it's naughty, it's nasty and it's something most women my age don't do." Sunny, who used to be a stripper in Tampa, Florida, also said, "I like to be spanked. I like forceful intercourse. I like to be fucked hard, whether it's in my ass or my pussy. And here, I get to do it with no strings attached. What could be better?"

Blake

Birthday: December 12

Lives: Scottsdale, Arizona
Status: Divorced
Occupation: Hair stylist

"I celebrated my 40th birthday by having a three-some," said Blake James, a twice-divorced, sexed-up hair stylist from Arizona who just can't get enough cock or pussy. "She's 28. He's 27. Dinner, cocktails, and then we went to the adult toy store and bought a double-dong. And then we fucked!"

Release: StoreMags & FantaMag

Strong Nipples

Sex is always on Blake's mind. She's one of those horny hair stylists who encases her DD-cup tits in tight, low-cut tops and brushes against her male clients. During a video interview on 40SomethingMag.com, she pulled out a stud's cock and, without being asked, started sucking it. The interview proceeded like this: "Have any kids?" "Two." *Suck. Suck.* Are they grown?" *Lick. Suck.* "Yes." *Lick.* "Twenty-one and fifteen." *Lick. Suck.* "Most people who know you would not be surprised to see you here, would they?" *Lick.* "No." *Suck. Lick.*

There's pussy and then there's cunt. Pussy seems like too sweet a word to describe the pink, juicy, thick-lipped fuck hole that Blake is spreading in these pictures. Blake has a c-u-n-t cunt, a tight, cock-gripping pleasure pit that's built to squeeze the cock that's fucking it and drain a pair of balls dry. When she's fucking on camera, Blake looks down at the cock that's plowing her cunt and wraps her legs behind her head so the dick can drill her overflowing cunt deeper. She feels his balls about to explode and demands, "I want that big load all over my tits." She gets what she wants. Now turn the page. The centerfold has what you want.

The naughty adventures of a 60something swinger!

By Georgette Parks

Hi, all you horny, sexy guys and gals out there. I hope life has been good to you all the last couple of months, at least in the sex category. It has been for me! Life and sex just couldn't get much better.

Since I have retired, I feel like I am busier than ever. There just don't seem to be enough hours in the day...and sometimes the night as well! I have been busy decorating and painting my new home, which is taking up an awful lot of my time. It's actually taken away almost all of my tennis time. I do still find time to walk a couple of miles every day and have a workout at the gym at least three times a week. It's a constant battle trying to keep my body looking trim and fit for you guys. I can't take the chance of disappointing my fans by gaining weight, can I? Plus, I can't afford to go out and buy a whole new wardrobe. What, you thought I stayed naked all day? I think not, especially since I no longer live in a nudist resort. Plus, I have too much fun dressing up in sexy clothes whenever I get the chance. I've always said that guys get more turned on seeing a woman in a sexy outfit than they do seeing a totally naked woman. Am I right? I know how you mentally love to undress a woman in your heads.

When I don't have time to go to the gym, I'll do my workout routine at home. I've always said that if a woman wants to keep on attracting men to fuck, she has to stay in shape.

You know how I always tell you about all of my sexual escapades? Well, there just haven't been as many lately.

"I love how any guy can thrust his cock inside me and make me cum over and over."

There have been way too many family and friends visiting or family functions to attend. My boyfriend and I have actually turned down at least

four swing parties because we had commitments we couldn't get out of.

We have spent a little time going to the nudist resort and enjoying the pool and sun. And we did manage to invite two friends over for a romp on the wild side not too long ago. It was a couple that my guy had met, but he never had the opportunity to have sex with the lady. It's funny because they had met twice before at social functions, and both times, I told him I had a feeling that she was hot for him. She finally admitted to me that she would love to get fucked by him.

Her husband and I had already had

I don't spend all my time with my clothes off and going to swing parties, you know! Sometimes I do what everybody else does: just chill out and relax.

several sexual encounters. In fact, I had gone to Fantasy Fest with them last year and had quite a few romps in their bed. It's amazing how sex is better with some people and not others. We were very compatible, and I hoped that she and my guy would be, too. When I heard her moaning in the other bedroom, I knew that things were going well for both of them!

My new guy and I have no problem having sex with others separately as long as we are in the same house. My guest loved eating my pussy and licking my pussy juices. Of course, I

enjoyed him eating my pussy as well. Sometimes I really get excited and can keep cumming. Once I start cumming, it just keeps happening over and over! I have great climaxes.

We spent a lot of time with him eating my pussy before he actually fucked me. He also loved licking my asshole, which is another turn on for me. I know if I had told him it was okay, he would have fucked me in the ass as well. However, I'm just not into that (although I know a lot of you guys have been asking for it. Sorry!). But I do love how any guy can thrust his cock inside me and make me cum over and over. Just to let you know, I think the best part of sex is when the guy finally has an orgasm. It really doesn't matter whether he cums inside me or all over me or in my mouth. I get wet just thinking about their orgasms.

I guess I got off the original subject, but it all definitely relates. What's really great about two people having good sex with each other is there's always the conversation after it's over. It's a time to talk about other sexual fantasies, your mate and other encounters. When my guest and I were finished having sex, we met back in the great room with my boyfriend and the other girl for cocktails and smiles all around.

We had one other swing session at a large house party. There were probably 100 people at this party. Three bedrooms downstairs and two large

bedrooms upstairs with wall-to-wall mattresses on the floor. Things got pretty wild upstairs. If you peeked in, all you saw were naked bodies all wrapped together. Sometimes people keep rotating partners. At any swing party, there are girls with girls, and then the guys will join in after they get turned on watching the girls together.

That was one of the interesting things about this party. I barely got in the front door when I was approached by a woman. I actually had a husband come up to me and ask me if I would do his wife. My best girlfriend was also at the party, and she told me she was approached by at least three women. I don't mind having a woman eat my pussy once in a while, but I like cock too much to mess with playing with a woman. That's really not my cup of tea. I'm more into one-on-one or sharing the bed with another couple.

What I do find interesting is that most of the guys who want to fuck me are more interested in eating my pussy and fucking me than in me sucking their cocks. But I think I have become a little quieter in my old age. My girlfriend and I used to go to parties, and we were called the starters because she and I would get on our knees and start sucking two or three guys' cocks. It didn't matter where we were. We could be in the

If I came to your door and said, "Trick or treat," what would you give me?

I love dressing in sexy lingerie. My new guy loves it, too. Don't you?

If you happened to run into me at a swing party, there's a good chance I'd be wearing (or not wearing!) something like this. I've always felt that a little bit of lingerie can add to the excitement.

living room, bedroom or kitchen. Usually it happened in the kitchen. That certainly got a lot of people stirred up to go fuck! She and I haven't done that in quite a long time. I guess I need to start doing that again. Sounds like a plan, right?

Of course, most parties that I go to now, people don't seem to need the stimulus. Some people arrive at a party and head directly for a woman and a bedroom. These guys are the ones who can fuck all night nonstop. I've never figured out how they can go that long, but then, I'm not a guy. Yes, I have heard of Viagra. I'm not that naive!

When I go to a party, I usually need some social time first. Have a cocktail, work the room to see who is there and who I am attracted to. I have to have some kind of physical attraction to a person and chemistry to want someone to fuck me. My problem is, usually I have guys who want me but I am not attracted to them. I must confess, I am very selective. Sorry, but that is the truth. It all boils down to chemistry. I'm sure it's the same for guys, but I have a feeling they're not as selective. They just want to fuck!

Back to the party. I finally hooked up with one of the youngest guys at the party, and a single to boot. He had come with a lady friend who I know. In fact, she came with two single guys. Lucky her! This guy fucked my girlfriend, and I was going to join the party, but I waited a little too long. They had just finished, so I said,

"Sorry I missed the party," and he said to me, "No problem. I'm ready to go

loves when I dress slutty! Can you blame him?

Okay, guys. I could rattle on all day about all of my adventures. Time to finish up here. I love writing this column, by the way. It connects me to all of you out there even more than making a DVD.

Enjoy every day to the fullest, whether it's sex, friendship, family or your job.

Life is too short, so enjoy every moment! Until next time, love you all!—Georgette

Moments before her first interracial scene, *40Something* columnist Georgette Parks sat in our studio, looking a bit nervous. "You've never fucked a black man?" we asked. "No, I haven't," she said. "But I'm excited about it." "But you seem nervous," we said, to which Georgette responded, "I *am* nervous. I'm nervous about how big his cock is going to be." Very big. Very thick. But guess what? Georgette took it, and she took it hard. Very hard. "Take your cocks out, boys," she said. "This was one wild ride, and I want you to enjoy it!"

Georgette had done just about everything sexually in her life: gang bangs, bukkakes, sex with strangers, etc. But when she wrapped her red-lip-sticked lips around Lucas Stone's black cock, that was a first. And when she spread her legs wide to give his big, black dick full access to her shaved cunt, that was a first. "I couldn't stop cumming," Georgette said. "I don't think I've ever cum so many times. It wasn't the color of his cock. It was its size and the way it was pounding my poor little pussy!"

If you can, check out the video of this scene at 60PlusMILFs.com. Georgette is clearly enjoying her first interracial experience (second, actually, since she fucked Lucas twice, once for the photos and once for the video). You have never, ever seen or heard Georgette cum like this. She is completely, utterly overcome with passion, and for a moment, you might think she's going to pass out. As one member said, "Holy shit! Did you guys have to take poor Georgette to the hospital after this? I can't imagine that she's been fucked that vigorously very often before."

When Georgette was finished shooting these photos, she said, "Oh, my God, I have to fuck him again for the video? I don't think I can take it!" A few hours later, after Lucas had shot his second load all over her face, Georgette licked his cock clean and said, "This has been incredible. I got my wish." That day, a lot of wishes were fulfilled.

four, five layers of clothes and you can still see my nipples. They stick out there. I had them measured at a bike rally.

40SOMETHING: Are you a biker chick?

RUTHIE: No. I just like to go to biker rallies because you can do anything. Suck cock right there. In Des Moines, people can be very uppity. Some people frown on some of the things I like to do.

40SOMETHING: Okay, here's a test: Your pussy, shaved or unshaved?

RUTHIE: [Pulls her panties aside] Shaved.

40SOMETHING: I love that you answered by showing me. How many women do you know in Des Moines?

RUTHIE: I don't know. Quite a few, but they all frown on what I do. I have a few friends who are swingers but most of them don't like it.

40SOMETHING: Would you say the percentage of shaved pussies in Des Moines is higher or lower than the national average?

RUTHIE: I would say there are fewer shaved than unshaved. My husband shaved my pussy for me before I came down here.

40SOMETHING: Which most husbands in Iowa don't do for most wives in Iowa. Let's say a guy is checking you out. Should he come up to you or wait for you to make the move?

RUTHIE: Oh, I go up to him. I met a guy at Wal-Mart back in Des Moines, and he gave me the eye, and I went up to him and he said, "Do you have a few minutes?" And I said, "Sure, what do you want to do?" So we went behind the building and I sucked his cock.

40SOMETHING: You don't care where you do it, do you?

RUTHIE: Well, I try to do it where there are no children or women around. I like to do it in public places, though.

40SOMETHING: Are blow jobs your favorite thing to do to a guy?

RUTHIE: Yeah!

40SOMETHING: How come?

RUTHIE: Because I'm gonna get cum in my mouth. [Laughs] I like sucking cock, and I know a lot of women don't. Anal, too. I like it.

40SOMETHING: Well, I guess we're back to that Iowa housewife thing again, doing things you're not supposed to do, like modeling for 40Something. Ruthie, thank you for joining us.

RUTHIE: Thank you for having me. **40**

Jodi

Birthday: May 30
Age: 46
Height: 5'6" **Weight:** 122 lbs.
Lives: Las Vegas, Nevada
Marital Status: Married
Occupation: Porn star

Sometimes, you just can't tell about a girl. Take Jodi, for example. She was a virgin until prom night of her senior year in high school. That was 1982. Eighteen years old and never been fucked. "It was over before it started," Jodi said, smiling at the memory. Now it's 2011, Jodi is 46, and what is she doing? Bringing along her husband to join in a threesome with her and one of our studs. You've come a long way, baby!

Jodi describes herself as "happily married," and we have reason to assume he would describe himself the same way. Jodi's D-cup tits and shaved pussy would make any man happy, as would her sexual appetite. We asked her about her sexual fantasies, and she said, "I'm living them right now." We asked her to name her kinkiest sexual encounter and she said, "I never look back. It's probably my next

encounter." Or maybe the one she had with her hubby and our stud, in which Jodi's hubby ate her pussy while Jodi sucked off the guy she had met five minutes earlier. They took turns fucking her pussy (Jodi sucking the cock that wasn't in her cunt), but, as usual, hubby got to cum inside. Our stud shot his load all over Jodi's face, and Jodi gave 'em both a few more strokes to milk them dry.

We didn't mention Jodi's long legs and fuckable ass, did we? Well, Jodi's got something for everyone, and she isn't terribly picky, either. Don't worry if you're not hung like one of our studs. For Jodi, it's the motion, not the meat, and she ain't just trying to make you feel good. It's cars that she likes big ("My dream car is a Hummer," she said). "I keep myself in a constant state of sexual excitement throughout the day, but I usually wait to cum with a partner. And when I finally cum, it's explosive!"

Jodi prefers men, but she says "there's something soft and sexy about a woman's touch, smell and taste. I love eating pussy, and I love having my pussy eaten by another woman. Women don't eat pussy better than men. They eat it differently." Maybe Jodi is being politically correct, maybe she isn't, but we're not asking anymore

questions. "It's amazing when you consider how late I started having sex, but I'm very sexual. I never wear panties if I can get away with it. Same goes for bras. I love catching men staring at my hard nipples." And she stares right back at their hard cocks. "I'll go right after what I want. I'm from Vegas. When it comes to sex, I'm all-in!"

Andi ROXXX

*"I'll do anything once.
Wanna
try me?"*

INTERVIEW BY DAVE ROSENBAUM

You can't help but lean forward to listen closer when Andi opens her mouth to speak. Breathy, soft, sultry, seductive, hers is the very definition of bedroom voice, and if her booty—37 inches of perfectly peach-shaped, fleshy fun—hasn't already gotten you, her voice will.

Andi, a graphic designer and part-time

model from Seattle, Washington (now living in Pennsylvania), is the kind of woman we love. She isn't a professional model. She's not a woman who normally throws herself out there for the world to see...or hear. In fact, Andi was reluctant to give this interview. She didn't think anybody would want to hear what she had to say. The truth is, she's kinda shy when it comes to everything but sex.

So, here are the vitals on Andi: She's 45

years old (her birth date is July 17, 1965), divorced, 5'3", 114 pounds and measures 36-26-37. Her tits are perky B-cups. She enjoys playing volleyball, softball, Frisbee and many other sports. She says her hobbies are swimming, sex, cooking, sex, dancing, sex, music and sex, sex, sex. She enjoys 69ing and getting fucked doggie style, but in case you have other ideas...

"I'll do anything once," she said in that voice of hers. "Wanna try me?"

••••• The 40Something Interview

40SOMETHING: Hi, Andi, and welcome to 40Something. How long have you been modeling?

ANDI: About three, four years now.

40SOMETHING: How'd you get into it?

ANDI: Through a friend of my significant other. We really got into it to do it together. His friends were swingers, and it worked for them, and that intrigued me. I said, "Wow, can this actually work?" Having a relationship and having fun sexually with others? And it does work. They made it work, and that's what made it interesting.

40SOMETHING: Then what?

ANDI: First we started out just doing some swinging. It wasn't an every-weekend thing. It was maybe three, four times a year, and then my friend built a studio, and I help out in the back, so we started a website together. Really we wanted to do this together. He started taking photos of me and said that, to him, I looked as good as anybody he'd seen, and I didn't believe him, and he said, "Let's submit them and give it a try and see what kind of response we get." And we got a good response.

40SOMETHING: How come you didn't

Release: StoreMags & FantaMag

StoreMags.com - Free Magazines Download in True PDF format

believe him?

ANDI: I just feel I'm as attractive as the next girl and never really thought of myself as anything special, and it just seemed like you have to be a certain special type of person to do this. Maybe it used to be that way, but it isn't anymore.

40SOMETHING: Why, just because you can do it?

ANDI: No. It seems like more and more people are into this kind of lifestyle. Sex is a lot more open now. It's a lot more accepted. It's a big part of our lives today with everything. And it's kinda getting on my nerves a little bit.

40SOMETHING: What do you mean?

ANDI: I have a daughter, and the music today is full of sex. They're discussing going down on my C-O-C-K and getting drunk and going down on girls. It's all over the place.

40SOMETHING: Do you think you're old-fashioned?

ANDI: I guess I am, so I've had to find a balance. I'm certainly not a hypocrite at all. Sure, I like sexual songs and music, especially when it comes to dancing, but I just can't believe what I'm hearing sometimes on the radio, you know what I mean? And I know I'm not the only one. The commercials today, they might as well just take it all off!

40SOMETHING: Speaking of taking it all off, have you ever been a dancer?

ANDI: One time, four or five years ago. I've been told all my life...well, everybody always thought I was a dancer. I love to dance. I really wanted to do theater. I used to do gymnastics. So I needed extra money and I thought, "You know what? I'm going to give it a try." And I did. But that's all I did. I gave it a try.

40SOMETHING: You only did it for one night?

ANDI: No, it was a whole summer. It just wasn't for me, and it wasn't very good money. It's not all that it's cracked up to be.

40SOMETHING: Had you ever modeled professionally before you came to us?

ANDI: No, but I've been approached. And I did check a couple of them out to see if they were legit because my father always told me, "If you're really that good and they want you, they're going to pay you. You don't have to pay them." And that's always what it was. One time, this guy came running out after me on the street, and he said, "Hey, you! Stop." And I said, "Who're you talking to?" He said, "We're looking for models and you have the look. Would you be interested?" and I drove to a place and checked it out, and sure enough, they were asking for money.

40SOMETHING: What else do you do besides your website and modeling?

ANDI: I do a lot of production. I do photography. I do design. I work for a lot of bands. I design logos.

40SOMETHING: So you're a pretty creative person, aren't you?

ANDI: Yes, absolutely. Regardless of what I've been into, people notice me and find a way to use my talents. It's always been a good trait to have.

40SOMETHING: And you've been married before?

ANDI: Yes. Married and divorced. And I have one kid. And that's it! Now I'm with someone. Not married, but we might as well be.

40SOMETHING: And now you're doing adult modeling. Do you like it?

ANDI: I do. It's fun, especially when I'm creating and having fun with my boyfriend or fiancé. Husband. Whatever you want to say.

40SOMETHING: You're 45, and women your age in porn are very much in demand. Why do you think that is?

ANDI: Well, I've been told that there aren't many of us who still have a great outlook on life, not just age but as far as sex goes and being open and secure about it. Also, we still have the appearance. Right now, I feel lucky to have my appearance at my age, so I might as well enjoy it before it's gone.

40SOMETHING: Why do you think the guys like it?

ANDI: I don't know. Maybe they're maturing a little bit faster than they used to. I'm not sure about that. I'm hoping they want to have more mature women who are real. I think there are too many young women out there who are concerned about being beautiful and pretty and not just being themselves. There's too much fakeness out there, especially boobs. I thought about getting mine done, but all I've heard is how great it is to stay natural, and that's really the attraction now. Guys want to see something real. Well, good. That makes me feel even better.

40SOMETHING: But it surprises you.

ANDI: Yes, it does, because men are ga-ga over big tits. And the age thing, too. Usually when you get older, guys are more attracted to the younger, tight, fit, perfect girls. But they all look like Barbie Dolls.

40SOMETHING: So when you hear that we have websites and magazines devoted to 40s, 50s, 60s and 70s...

Rita

Birthday: June 22 **Age:** 60
Height: 5'7"
Weight: 128 lbs.
Lives: Brooklyn, New York
Status: Divorced
Occupation: Hot tub sales rep.

Last seen fucking in *40Something* #201, Rita Daniels is back for a rare post-XXX solo appearance. Why? Because as MILFs go, they don't come any sexier. And because Rita recently turned 60, and we thought this would be a good way to celebrate her birthday. And because, in all honesty, we never get tired of seeing this slutty MILF's hot face, big tits and spread, bare pussy. You've probably already noticed that in these pictures, it's laundry day at the Daniels household. But don't worry. What little clothing she's wearing won't stay on long.

Rita's DD-cup tits come out. "I love my tits, and every man I've been with loves them, too," Rita said. "They're nice and firm, and they look wonderful in clothes and feel great when you suck them." Rita spreads her pussy and bends over to show off her fuckable ass. "I love having a hard cock in my cunt or my asshole," Rita said. "I love to have my boyfriend put his finger in my ass and cunt while I use my vibrator on my clit while we're watching 50PlusMILFs.com videos on our computer. And, yes, I did say cunt. I think it's a very sexy, naughty word. I love feeling warm cum in my juicy cunt."

StoreMags.com - Free Magazines Download in True PDF format

To celebrate the big six-oh, Rita visited our studio and had her cunt and asshole fucked by Lucas Stone's, big, thick black cock. We weren't sure she could take it, but she did. In fact, Lucas shot his load deep in Rita's asshole (of course, Rita let us watch it drip out), then worked up another load for her face. And, to make the birthday celebration complete, Rita had a three-way with two studs almost half her age.

Rita is divorced. She's a mother of four and a grandmother of four more. Her kids don't know she's here. They don't know that Mommy/Grandma fucked total strangers in our studio, even let them fill her ass. "Most people would be surprised to see their mother in a situation like this, but my kids know their mother can be sexy, and they've seen how men react to me," Rita said. Men react to her because in addition to her sexy body, Rita has a slut face, one that says, "Fuck me." And we mean that as the ultimate compliment.

Andi Roxxx Interview

continued from page 80

ANDI: You know what? I really hadn't realized that mature women were so high in demand.

40SOMETHING: When you're out by yourself, do you get hit on by young guys?

ANDI: Yes.

40SOMETHING: How young?

ANDI: Pretty young. Twenty-five. It happened to me just recently. A 21-year-old. He told me that he and his friends were watching porn, and it was all young girls, and they were bored. He said he likes women like me.

40SOMETHING: You're in great shape. How do you keep your figure?

ANDI: I workout. Watch what I eat. Not all the time, that's for sure, but I try. I could go crazy with eating sometimes. Ice cream, fried mozzarella sticks, pizza, tacos, all of it. I love it. I love steak as well, but I love eating good, fresh vegetables. I'm not a health freak. I run. Not anything excessive. It's something I do with my boyfriend. Mainly I like to swim. I've always had a good build. My phys-ed teacher in eleventh grade said to me, "You can be a bodybuilder if you

wanted to." I said, "No, I don't think so. I don't want to look like a guy." Sometimes I'll see some photos of myself and I'll say, "I'm going to have to change the weights" because I'm pumping it up a little too much. I don't want to be big. I like to have definition and be toned but not have bulk like a man. I don't do things to the extreme. I like keeping everything at an even keel.

40SOMETHING: Have you ever watched your videos?

ANDI: Sometimes.

40SOMETHING: What do you think about them?

ANDI: I think I'd rather be doing it than watching. [Laughs] But it's exciting. I can't believe it. But then there's a part of me that's scared to death that somebody I know is going to see me, but I already thought about that ahead of time. You can't let that bother you. It's probably not going to happen, but if it does, it does.

40SOMETHING: Does your daughter know

what you're doing?

ANDI: She knows I've been going away a lot lately and she knows I've done a little bit of modeling recently, but not in the adult entertainment industry. But I

have told her that some of it is semi-nude. Lingerie. Bikinis.

40SOMETHING: Was she surprised?

ANDI: No. Just happy for me. She always told me I should do it anyway. She always said, "You're so much prettier than all these other models," and I'd say, "Stop. You're just saying that because you're my daughter." And she'd say, "No, it's true."

40SOMETHING: She's 14. Do her guy friends check you out?

ANDI: In a way. They'll let me know they think I'm attractive. They'll say things like, "Oh, that's why she's so pretty," meaning my daughter. It's flattering, but I've never been one to let anything go to my head. That's why I don't let things go to the extreme. I've never liked that attitude. Cocky. I don't believe in that. You can be happy and confident and sure of yourself, but you don't have to be, "Oh, look at me" everywhere you go. Sure, you're going to have to be cocky in certain situations, but it's not because you're all over yourself.

40SOMETHING: If we saw you out and about, I'm guessing you'd be wearing jeans and a T-shirt.

ANDI: Oh, yes. Pretty much. I like to look nice, though. If I go out to dinner, I'll wear something more provocative but still classy. I show my ass off. [Laughs] Friends of mine will complain if I wear a dress or a skirt.

40SOMETHING: How come?

ANDI: They're just being funny. Because it's not showing the shape of my ass.

40SOMETHING: Is that your best asset?

ANDI: Yes. I've been told so many times that that's it.

40SOMETHING: I noticed before when you took your jeans off that you were wearing full-back panties. You weren't wearing a thong.

ANDI: I'm not really a thong girl. I just don't like them. There's that old-fashioned side of me again. I like the booty shorts and the bikini-type. That's what fits me best, and I think it's hotter looking, also. It adds mystery. I'm not just putting it out there. I don't think thongs look good on me.

40SOMETHING: You don't really have a big butt, do you?

ANDI: Not big, but it's juicy. It's plump.

40SOMETHING: Well, Andi, thank you for bringing your plump, juicy butt to 40Something.

ANDI: Thank you very much for having me. And it!

Bella

Birthday: June 30
Age: 44
Height: 5'4" **Weight:** 122 lbs.
Born: Germany
Lives: Boca Raton, Florida
Status: Single

When Bella Marino debuted in *40Something* #201, we commented on her back, calling it one of the nicest we've ever seen. And here, once again, her back is on display as she stands in the doorway of a bedroom, having just stepped out of the shower, ready to seduce her young stud. But here's the deal: He can't see her back, and he's not going to see it until Bella leans over to suck his cock and bends over to get fucked from behind. It's Bella's front—her beautiful face and 38-26-34 body—that's got his attention right now. And, as you can see, Bella has him at full attention. "Are you ready for me?" Bella asks J-Mac. "Have you started stroking that cock like I asked you to? Were you thinking about me while you were stroking your cock? Were you thinking about me sucking your cock?" Then, because she has absolutely nothing to hide, Bella says, "I'm going to turn the light on. I want you to see my pussy. I want you to see how pink I am when you eat me."

Not only do we get to see how pink Bella's pussy is when she's having it eaten, we get to see how pink her pussy is when she's sucking cock. Yep, Bella takes a mouthful of dick, spreads wide and gives us a gyno view of her wet, juicy cunt. Bella is a make-up artist, but we can assure you that she didn't need any makeup to make her pussy look so fuckable. "I've had guys go down on me for a half hour because they love the way my pussy looks and tastes," she said. "I'm very proud of my pussy."

Bella told us she doesn't have any fetishes "other than fucking a lot," but when we asked if she has any sexual fantasies, she said, "Everything. This is definitely one of them...fucking on camera, knowing all the guys at home are watching with their cocks out, jacking, cumming because they're looking at my photos. It's flattering." And well-deserved.

Bella doesn't appear in any DVDs yet, but you can watch the video version of this scene at 40SomethingMag.com. Although she's not a big girl, Bella takes a serious pounding. J-Mac's big cock pummels her pussy in all positions, and when she rides him cowgirl, the camera moves underneath the action so we get a great view of her pussy getting assaulted by cock. Her asshole puckers and her ass cheeks beg to be grabbed. Bella is a mature gal, and she can take a hard fucking. And love it. "Every inch of it. Every drop of cum," she said as she rubbed the last of J-Mac's big load into her face. No towel necessary.
